PROJECTS

Neuronix – AI-Powered Personal Knowledge OS | [GitHub](#) | [Live](#) Apr 2026 – May 2026

- Designed and developed an **AI-powered Personal Knowledge Management** platform focused on helping users organize, search, and interact with their knowledge more efficiently.
- Created **user-centric** workflows for note management, semantic search, and **AI-assisted conversations**, emphasizing simplicity and discoverability.
- Built **responsive interfaces** and **reusable design patterns** while iterating on user experience and information architecture across the platform.

Sprintify AI-Powered Project Management SaaS Platform | [GitHub](#) | [Live](#) Feb 2026 – Mar 2026

- Pioneered an **AI-powered project management** platform to simplify sprint planning and task organization for teams.
- Architected intuitive **drag-and-drop** task workflows and dashboard experiences to improve visibility and collaboration.
- Focused on **usability, responsive design, and clear information hierarchy** to make project tracking easier for users.

TRAINING

Placement Ace: Java Bootcamp | **Lovely Professional University** | [Link](#) Jun 2025 – Jul 2025

- Strengthened **DSA proficiency** through hands-on practice, improving problem-solving speed and code efficiency.
- Gained deep practical experience with **Java Collections Framework** by implementing real-world data handling scenarios, resulting in more optimized and scalable solutions.
- Engineered a Pacman-style arcade game in Java, applying object-oriented design, collision detection, and grid-based movement logic to simulate classic gameplay mechanics.

CERTIFICATES

Java Programming iamneo Link	May 2025
Cloud Computing NPTEL Link	Apr 2025
Data Structures and Algorithm iamneo Link	Dec 2024
Object Oriented Programming iamneo Link	Dec 2024

ACHIEVEMENTS

- Solved **300+** LeetCode problems, building a strong foundation in data structures and algorithms. Apr 2026
- Earned the LeetCode **100 Days Badge** and maintained a consistent daily coding streak, demonstrating discipline and commitment. Apr 2026
